

What is a School Compact?

Our annual school-parent compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home.

Effective Compacts:

- Link to academic achievement goals
- Focus on student learning
- Share strategies that staff, parents, and students can use
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to observe, volunteer, and participate in the classroom

Jointly Developed

The parents, students, and staff of Roughrider Academy worked together and shared ideas to develop the school compact. Parent meetings are held each year to review and revise the compact based on the school's academic achievement goals and students' needs.

Parents are welcome to contribute comments at any time.

When teachers, students, and families work together, we can achieve our goals!

Building Partnerships

There are many opportunities for parents to volunteer and play a role in their child's education. Please consider joining the faculty, staff and fellow parents through some of the following events and programs:

- Meet the Teacher
- Fall and Spring Open Houses
- Graduation
- Campus and district committees

Communication about Student Learning

RRA is committed to frequent two-way communication with families about student learning. Some of the ways you can expect to hear from us include Remind, Campus and District Websites, Email, Phone Calls, and Parent-Teacher Conferences.
