

What is a School Compact?

Our annual school-parent compact offers ways that we can work together to help our students succeed. This compact provides strategies to help connect learning at school and at home.

Effective Compacts:

- Link to academic achievement goals
- Focus on student learning
- Share strategies that staff, parents, and students can use
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to observe, volunteer, and participate in the classroom

Jointly Developed

The parents, students, and staff of Center High School worked together and shared ideas to develop the school compact. Parent meetings are held each year to review and revise the compact based on the school's academic achievement goals and students' needs.

Parents are welcome to contribute comments at any time.

Preparing students for their future!

Building Partnerships

There are many opportunities for parents to volunteer and play a role in their child's education. Please consider joining the faculty, staff and fellow parents through some of the following events and programs:

- Meet the Teacher
- Fall and Spring Open Houses
- A variety of student activities
- Graduation
- Campus and district committees

Communication

CHS is committed to frequent two-way communication with families about student learning. Some of the ways you can expect to hear from us include Remind, Campus and District Websites, Social Media Posts, Email, Phone Calls, and Parent-Teacher Conferences.

OUR GOALS FOR STUDENT SUCCESS

District Goals

Student Goal 1: The district will improve literacy across all grade levels. Individual students will make academic progress in reading by one year or more.

Student Goal 2: The academic achievement of all students in all content areas will increase.

Student Goal 3: Center ISD graduates will be post-secondary ready as determined by the College, Career, and Military Readiness (CCMR) standards set forth by the Texas Education Agency.

Student Goal 4: The district will promote engagement by building strong relationships with parents and community members.

Student Goal 5: The district will maintain a learning environment that promotes the physical, mental, and emotional well-being of all staff and students.

School Goals

Student Goal 1: Center High School students will improve their literacy and math scores.

Student Goal 2: Center High School students will increase their academic achievement in all content areas.

Student Goal 3: Center High School students will promote involvement in building strong relationships with parents and community members.

Teachers

- Will utilize best practices to provide instruction that meets the individual needs of the students
- Will provide targeted intervention to assist students in areas of need
- Will assist students in developing a plan for graduation and in progressing towards their goals
- Will share with parents the progress of students and provide suggestions on how to help from home

Parents

- Will ensure students are at school and on time every day
- Will monitor student's progress towards graduation
- Will keep open communication with teachers and students regarding academic progress (email, phone, conferences, meetings, etc.)
- Will encourage students to attend and actively participate in school

Students

- Will complete coursework accurately and in a timely manner
- Will attend school daily and take an active role in classes, targeted interventions, and tutorials
- Will have a positive attitude about learning and setting and pursuing educational goals
- Will seek help when needed
